NEWS RELEASE - For Immediate Release

NORTHERN SUPERIOR FILES AMENDED STATEMENT OF CLAIM AGAINST THE PROVINCE OF ONTARIO

Sudbury, Ontario, February 28th, 2014 Northern Superior Resources Inc. (TSXV:SUP) (“Northern Superior” or the “Company”) has amended its Statement of Claim previously filed in the Company’s legal action against the Province of Ontario.

These amendments were made in response to recent developments in the law regarding the Crown’s duty to consult and the different ways in which aggrieved parties such as Northern Superior Resources can assert legal claims against the Crown. The Company believes these developments strengthen its case.

The Company’s Amended Statement of Claim will be posted on the Company’s website with the amendments highlighted. Ontario’s amended Statement of Defense in response is expected within 2- 3 weeks.

The Superior Court of Justice has agreed to appoint a Judge to case manage the Company’s legal action. Mr. Justice Lederer has been appointed for this purpose. The parties will appear before him next month to review the status of the matter and ensure the orderly progress of the litigation.”

Forward looking statements: This news release includes certain “forward-looking information” within the meaning of Canadian securities legislation and “forward-looking statements” within the meaning of the United States Private Securities Litigation Reform Act or 1995 (collectively, “forward looking statements”). Forward looking statements include predictions, projections and forecasts and are often,

but not always, identified by the use of words such as “seek”, “anticipate”, “believe”, “plan”, “estimate”, “forecast”, “ expect”, “ potential”, “project”, “target”, “schedule”, “budget” and “intend” and statements that an event or result “may”, “will”, “should”, “could” or “might” occur or be achieved or other similar expressions and includes the negatives thereof. All statements other than statements of historical fact included in this release, including, without limitation, statements regarding potential mineralization, exploration results, interpretation of results, the timing and success of exploration activities generally, the timing and results of future resource estimates, and future plans and objectives of Northern Superior are forward-looking statements that involve various risks and uncertainties. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Forward looking statements are based on a number of material factors and assumptions. Important factors that could cause actual results to differ materially from Northern Superior’s expectations include exploration risks, changes in project parameters as plans continue to be refined, results of future resources estimates, future metal prices, availability of capital and financing on acceptable terms, general economic, market or business conditions, uninsured risks, regulatory changes, defects in title, availability of personnel, materials and equipment on a timely basis, accidents or equipment breakdowns, delays in receiving government approvals, unanticipated environmental impacts on operations and costs to remedy same, and other exploration or other risks detailed herein and from time to time in the filings made by the Company with securities regulators. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ from those described in forward looking statements, there may be other factors that cause such actions, events or results to differ materially from those anticipated. There can be no assurance that forward looking statements will prove to be accurate and accordingly readers are cautioned not to place undue reliance on forward looking statements.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
